LIMITED WARRANTY

Küryakyn warrants that any Küryakyn products sold hereunder, shall be free of defects in materials and workmanship for a period of one (1) year from the date of purchase by the consumer excepting the following provisions:

- Küryakyn shall have no obligation in the event the customer is unable to provide a receipt showing the date the customer purchased the product(s).
 - The product must be properly installed, maintained and operated under normal conditions.
 - Küryakyn makes no warranty, expressed or implied, with respect to any gold plated products.
- Küryakyn shall not be liable for any consequential and incidental damages, including labor and paint, resulting from failure of a Küryakyn product, failure to deliver, delay in delivery, delivery in nonconforming condition, or for any breach of contract or duty between Küryakyn and a customer.
- Küryakyn products are often intended for use in specific applications. Küryakyn makes no warranty if a Küryakyn product is used in applications other than intended.
- Küryakyn electrical products are warranted for one (1) year from the date of purchase by the consumer. Components of Küryakyn products containing L.E.D.s will be warranted for defects in materials and workmanship for 3 years from the date of purchase.
- Küryakyn makes no warranty of any kind in regard to other manufacturer's products distributed by Küryakyn. Küryakyn will pass on all warranties made by the manufacturer and where possible, will expedite the claim on behalf of the customer, but ultimately, responsibility for disposition of the warranty claim lies with the manufacturer.

ABOUT OUR CATALOG

STEP 2 Remove the Tour Pak liner from the bottom of the Tour Pak. Locate the 3 bolts (PIC 1) on the right side.

STEP 3 Remove the 3 bolts with washers, save the washers. The rear speaker box will now be loose.

NOTE The 3 screws will not be re-used.

STEP 4 As shown in PIC 2, place the new Drink Holder Mount between the speaker box and the outside of the Tour Pak.

STEP 5 Using the new 1/4-20 x 1-1/8" HHCS included in the kit and the stock washers, attach the speaker box to the Tour Pak in the stock location (apply anti seize to the threads) with the Drink Holder Mount between the speaker box and tour pak (PIC 3). Tighten the fasteners.

STEP 6 Holding the drink holder, slide the wave washer on to the shaft. As shown in PIC 4, attach the Drink Holder Assembly to the Drink Holder Mount. Slide the 1/4" Split Lock Washer and both shims on to the shaft. Add anti-seize to the threads and secure with the Thumb Nut (PIC 5).

STEP 7 Tighten all fasteners and the Thumb Nut.

ATTENTION! It is the installer's responsibility to ensure that all of the fasteners (including pre-assembled) are tightened before operation of the motorcycle. Kuryakyn will not warranty components lost due to improper installation. Periodic maintenance may be required.

CAUTION! Do not overload the Drink Holder with excessive weight.

CAUTION! The adjustability of the Drink Holder was not intended to prevent spills.

CAUTION! Kuryakyn is not responsible for items that may be stolen or damaged in relation to the use of this product.

Ride On!
